

Chambers Management and Administration

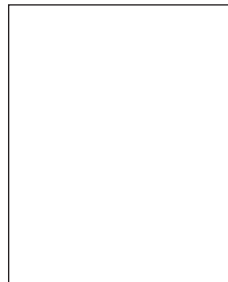

We have a strong management and administration team, led by Senior Clerk, Paul 'Sammy' Sampson.

Sammy was with us for ten years as a junior clerk before being appointed to his present position in 1995. He is assisted by First Junior Clerk George Mo, who joined us in 1990, and a team of junior clerks. Together, they seek to provide a friendly, efficient and accessible service both to professional and lay clients and to members of chambers.

The clerks' room is staffed from 8:30 am to 6:30 pm Monday to Friday. In the event of an emergency arising outside these hours, please ring Sammy on 07973 620 618
