

We are an established set of chambers offering a specialist service in family law and associated areas of practice. We currently have fifty-eight members of chambers.

We have two specialist practice groups covering the law relating to children and ancillary relief. A number of tenants also practise in associated areas of civil law, particularly in the area of care standards.

We aim to be a centre of excellence in our fields of expertise. Each practice group meets regularly to share members' experience of developments in law and practice.

We believe in representation for all and encourage pro bono work. We are committed to equality and diversity and comply with the Equality & Diversity Code for the Bar. We operate comprehensive quality assurance policies and procedures and have been awarded both Barmark and Quality Mark for the Bar in recognition of the high level of service that we provide.

We seek to provide an efficient and cost-effective service and pride ourselves on being approachable and friendly. We particularly welcome client feedback to assist us in monitoring the quality of the service that we provide. Our complaints procedure can be downloaded from our website or can be obtained in hard copy form from our Administration Manager.

Fees in privately funded cases should be negotiated in advance with the Senior Clerk.

In September 2006, we moved to new premises at 9-11 Fulwood Place, London WC1V 6HG very close to the PRFD and just a short walk from the Royal Courts of Justice. A map showing the whereabouts of chambers can be downloaded from our website or can be obtained in hard copy form from our Administration Manager.

The new building is nearly twice the size of our former premises and therefore gives us the space that we need to continue our programme of expansion. It has been fully refurbished and fitted out to provide not only high quality accommodation for members of chambers and staff but also modern facilities for clients. We have five air-conditioned conference rooms, seminar and mediation suites, video-conferencing facilities, wireless internet access and facilities for the disabled.

For further information or to provide feedback on our service, please call our Administration Manager Martin Dyke or our Senior Clerk Paul ("Sammy") Sampson on 020 7092 3700.
